

TEEN ARTISTS

MINI-ART CLASSES

220 **Intro to Commercial Art**

Kristen Thornton

Develop ideas for a completed project in the commercial art field. Beginning with picking a subject and designing its logos and brochures

4 Mondays 6:00–8:00 pm

Beginning March 17

TAC or Y Member cost \$88

Non-member cost \$96

221 **Story Books**

TBA

Learn how to develop a mock book to be turned into a publishing company, beginning with story boards and a completed cover and layout page.

4 Mondays 6:00–8:00 pm

Beginning April 21

TAC or Y Member cost \$88

Non-member cost \$96

222 **Illustration**

Sally Bell

A variety of styles and techniques – pencil, ink, marker and pen- will be explored. Your image will convey a feeling or message. Reference will be used to create your own business cards.

4 Mondays 6:00–8:00 pm

Beginning February 18

TAC or Y Member cost \$88

Non-member cost \$96

223 **Fashion Design**

Kristen Thornton

Create a new outfit beginning with the illustration all the way to creating it by altering existing clothing with different materials and embellishments.

4 Mondays 6:00–8:00 pm

Beginning January 7

TAC or Y Member cost \$88

Non-member cost \$96

640 **Cartooning for Teens**

Keith Murphy

Students will learn how to take a rough thumbnail to a finished piece of artwork. Students will combine words and images into storytelling, apply images and illustrative techniques to their stories, and learn tools of the trade. Comic creators will be invited to certain sessions. Group critiques will end each session. Materials list given at first class.

6 Saturdays 10:30–12:00 pm

Beginning February 23

TAC or Y Member cost \$108

Non-member cost \$120

263 **Drawing & Painting for Teens**

Stephanie Kihm

This class will concentrate on improving your skills by drawing people, places and your favorite things. Bring your willingness to explore through different mediums to lay open the line that runs between your life and your art.

8 Mondays 3:00–5:00 pm

Beginning January 7

TAC or Y Member cost \$192

Non-member cost \$211
